We, the graduates of 1974, will always remember the echoes of H-L.

We have grown up with one another.

We have visited far away places and learned new things together.

We will never forget the acquaintances we've made over the years.

We have laughed and had fun.

We have developed many skills.

As well as our minds.

We have grown in leadership and responsibility.

We have tried to reach for goals.

We are now prepared to go out into the world that is awaiting us.

Varsity Football

Hopewell-Loudon's first varsity season had to be considered successful despite its 2-8 record. Every young man who participated in the first August scrimmage completed the season in November. No athlete lost any gametime because of a game-connected injury. Also there was a marked improvement in the caliber of play from the first game to the last. With increased interest and one solid year of development the crawling infant takes its first step in 1974.

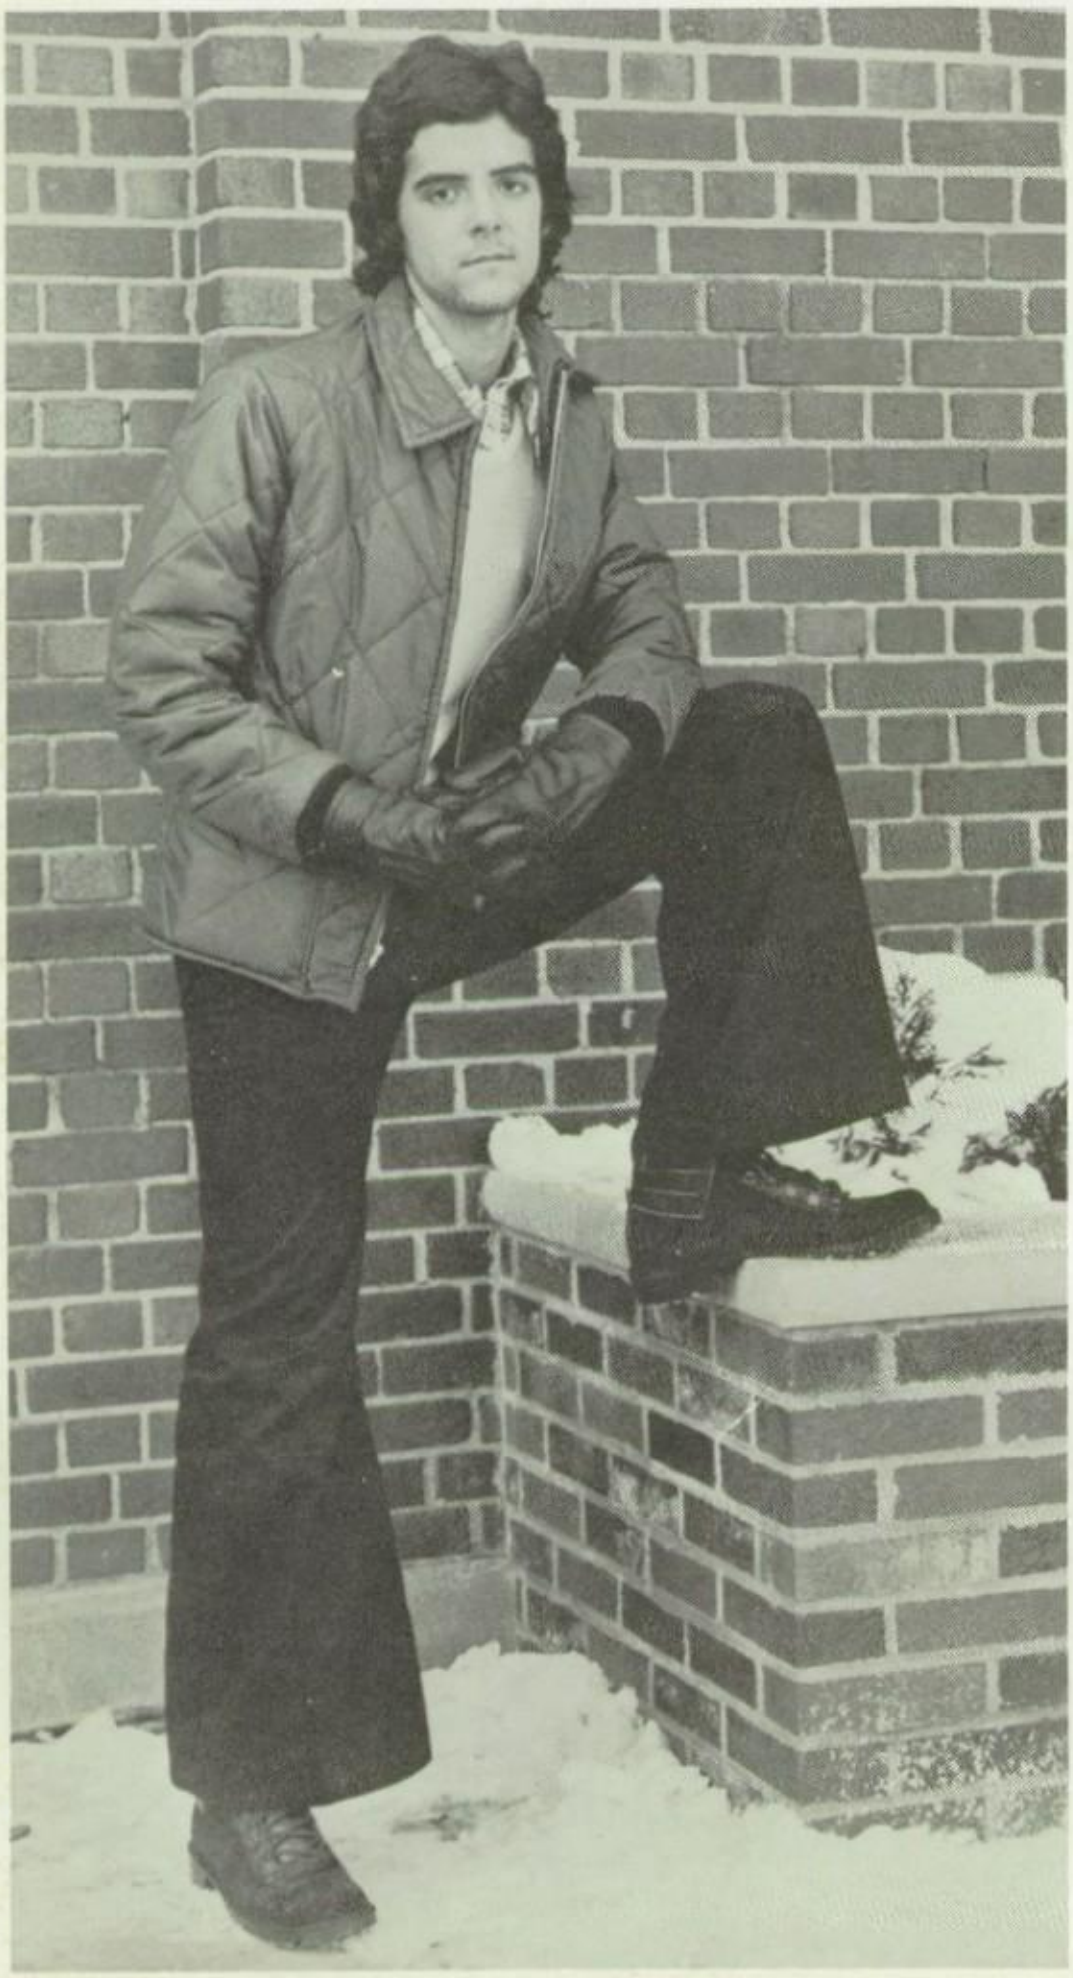
Exchange Student

Fernando Alves



Fernando Alves is the first exchange student Hopewell-Loudon has had. Fernando is a 16 year-old Brazilian and will be a senior in high school when he returns to his native country. He came to America through the International Fellowship, Inc., an organization designed for outstanding students wishing to study in foreign countries.

He has three brothers, one of whom is his twin. His father is a cardiologist and his mother is employed as a junior high teacher.

He found America and Hopewell-Loudon interesting and different from Brazil. We enjoyed his visit and we trust he received as much enjoyment from knowing us as we did from knowing him.

The H-L Drillettes were formed in May of 1973, with Colleen Boehler chosen as Captain and Mary Kreais as secretary. After uniforms were made and wooden rifles purchased, there were long hours of writing routines and practicing. The first public performance, the Meadowbrook Tractor Pull, was followed by county fairs throughout the state. The Drillettes also received fourth place at the Ohio State Fair. Since then, they have preformed at football games, basketball games, and parades using a variety of props, wooden rifles, pom poms, flags, and even flashlights.
